Report on the Financial Statements

We have audited the accompanying financial statements of Chez Hope, Inc. (a non-profit organization), which comprise the statement of financial position as of June 30, 2021 and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to Chez Hope, Inc.'s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Chez Hope, Inc.'s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Chez Hope, Inc. as of June 30, 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. The schedule of expenditures of federal awards is the responsibility of Chez Hope, Inc.'s management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The schedule has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards on pages 17-18 is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 17, 2021, on our consideration of Chez Hope, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Chez Hope, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Chez Hope, Inc.'s internal control over financial reporting and compliance.

CHEZ HOPE, INC.

Notes to Financial Statements

(1) Nature of Organization and Significant Accounting Policies

A. Nature of organization

Chez Hope, Inc. is a non-profit organization that provides a wide range of services to victims of domestic violence. Its core service is providing shelter and support for victims and children. In addition, a 24-hour crisis line, individual assessment, and case management are provided. Chez Hope, Inc. is also actively involved with community education including law enforcement training and support groups. Chez Hope, Inc. coordinates domestic abuse intervention through the court system and provides additional services to child victims of domestic violence.

B. Economic dependence

Chez Hope, Inc. receives a significant portion of its funding through the Louisiana Department of Children and Family Services and Louisiana Commission on Law Enforcement. Should these agencies cut their funding or disallow items, Chez Hope, Inc. may be required to reduce its services.

C. Significant accounting policies

Financial statement presentation

The financial statements of Chez Hope, Inc. have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of Chez Hope, Inc. and changes therein are classified and reported as follows:

Net assets without donor restrictions - Net assets that are not subject to donor-imposed stipulations.

Net assets with donor restrictions - Net assets subject to donor-imposed stipulations that will be met, either (1) expire by incurring expenses satisfying the restricted purpose (purpose restricted), and/or the passage of time or other events (time restricted), or (2) will never expire (perpetual in nature). When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

D. Support and expenses

All revenues and support are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as support with donor restrictions that increases that net asset class. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions in the statement of activities as "net assets released from restrictions."

Expenses are recorded when incurred in accordance with the accrual basis of accounting.

CHEZ HOPE, INC.

Notes to Financial Statements (continued)

E. Allowance for doubtful accounts

Chez Hope, Inc. considers accounts receivable to be fully collectible; accordingly, no allowance for doubtful accounts is provided.

F. Property and equipment

Purchased property and equipment are recorded at cost at the date of acquisition. Property and equipment purchased with federal grant funds are recorded as contributions with donor restrictions. In the absence of donor stipulations regarding how long the assets must be used, the organization has adopted a policy of implying a time restriction that expires over the useful life of the assets. Chez Hope, Inc. maintains a threshold level of \$2,500 or more for capitalizing assets.

Depreciation is computed by the straight-line method based on the following estimated lives:

	<u>Years</u>
Vehicles	5
Furnishings and equipment	7
Improvements	10
Buildings	30

G. Compensated absences

Vacation and sick leave are recorded as expenses of the period in which earned. Although sick leave is available for employees when needed, it does not vest nor is it payable at termination of employment. Annual vacation is earned by employees based on the number of years of employment. Current unused vacation and up to 180 hours of prior unused vacation is payable upon retirement for all employees. At June 30, 2021, the accrued vacation leave amounted to \$28,148.

H. Donated services

Chez Hope, Inc. receives donated services from unpaid volunteers who assist in program services during the year; however, these donated services are not reflected in the statement of activity because the criteria for recognition under *FASB Accounting Standards Codification 958-605, Not-for-Profit Entities - Revenue Recognition - Contributions* have not been satisfied.

I. Cash and cash equivalents

For the purposes of the statement of cash flows, Chez Hope, Inc. considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents.

CHEZ HOPE, INC.

Notes to Financial Statements (continued)

J. Functional Allocation of Expenses

Expenses are summarized and categorized based on their functional classification. Specific expenses that are readily identifiable to a single program or activity are charged directly to that function. Certain categories of expenses are attributable to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include depreciation and occupancy, which are allocated on a square-footage basis, as well as salaries and related benefits, which are allocated based on time and effort.

K. Income taxes

Chez Hope, Inc. is recognized by the Internal Revenue Service as a tax-exempt organization as provided for in Section 501(c)(3) of the Internal Revenue Code and is exempt from federal and state income taxes except to the extent it has unrelated business income. Income from certain activities not directly related to Chez Hope, Inc.'s tax-exempt purpose is subject to taxation. If Chez Hope, Inc. were to be subject to unrelated business income tax, these taxes would be included in management and general expenses in the accompanying statement of activities.

L. Advertising

Advertising costs are expensed as incurred. Advertising expense was \$20,846 in 2021.

(2) Accounting Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

(3) Liquidity and Availability of Resources

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors
Chez Hope, Inc.
Franklin, Louisiana

We have audited, in accordance with the audit standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Chez Hope, Inc. (a non-profit organization), which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 17, 2021.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Chez Hope, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Chez Hope, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Chez Hope, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of Chez Hope, Inc.'s financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, we identified a deficiency in internal control that we consider to be a significant deficiency, and which is described as item 2020-001 in the accompanying schedule of findings and questioned costs.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Chez Hope, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Chez Hope, Inc.'s Response to Finding

Chez Hope, Inc.'s response to the finding identified in our audit is described in the accompanying corrective action plan for current audit findings. Chez Hope, Inc.'s response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the response.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Chez Hope, Inc.'s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Chez Hope, Inc.'s internal control and compliance. Accordingly, this communication is not suitable for any other purpose. Although the intended use of this report may be limited under the provisions of Louisiana Revised Statutes 24:513, this report is distributed by the Louisiana Legislative Auditor as a public document in accordance with Louisiana Revised Statute 44:6.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors
Chez Hope, Inc.
Franklin, Louisiana

Report on Compliance for Each Major Federal Program

We have audited the compliance of Chez Hope, Inc. with the types of compliance requirements described in the *OMB Compliance Supplement* that could have direct and material effect on each of Chez Hope Inc.'s major federal programs for the year ended June 30, 2021. Chez Hope, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Chez Hope Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Chez Hope, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination on Chez Hope, Inc.'s compliance.

Opinion on Each Major Federal Program

In our opinion, Chez Hope, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2021.

Report on Internal Control over Compliance

Management of Chez Hope, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Chez Hope, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Chez Hope, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose. Although the intended use of this report may be limited under Louisiana Revised Statute 24:513, this report is distributed by the Louisiana Legislative Auditor as a public document in accordance with Louisiana Revised Statute 44:6.
